REQUEST FOR RECONSIDERATION OF PETITION
UNDER 37 C.F.R. § 1.47(a)

Sir:

In connection with the captioned application, the undersigned Petitioners' representative respectfully requests reconsideration of the Decision Refusing Status Under 37 C.F.R. § 1.47(a) having the mailing date of December 30, 2004.

Petitioners file concurrently herewith a petition to extend the period of response two (2) months from February 28, 2005 up to and including April 30, 2005.

Petitioners state as follows:

1. A copy of the Decision Refusing Status Under 37 C.F.R. § 1.47(a) dated December 30, 2004, of Petitioners' October 29, 2004, Petition is attached hereto as Exhibit 1. Paragraphs 4 and 5 accurately summarize the facts of the filing of the captioned application, the obtaining of 9 of the 10 inventors signatures on the Declaration, as well as the attempts to contact the non-signing inventor, Jurek Cybuch, at his last known address.
2. A copy of the Petition filed under 37 C.F.R. § 1.47(a) is attached hereto as Exhibit 2.
3. The Decision (Exhibit 1), in the last paragraph on page 1, sets forth the requirements for a grantable petition under 37 C.F.R. § 1.47(a), and notes that the petition appended hereto as Exhibit B lacks items 1, 2 and 4. Petitioners respectfully disagree.
4. Paragraphs 2–7 of Page 2 (Exhibit 1) discuss the “absence” of item 1, preceding it with the statement “Rule 47 has no application to a deceased inventor. MPEP 409.03(c)”. However, Petitioners have never averred that Inventor Cybuch is deceased. Indeed, Petitioners are unsure as to whether the inventor has passed away or merely moved and remains unreachable. The only discussion of the possible death of Inventor Cybuch is presented in paragraph 8 of the Petition

(Exhibit 2), wherein the new owner of the last known residence of Inventor Cybuch stated that he had moved prior to passing away. That information was presented in the Petition because it is contained within the affidavit of the Bailiff who went to the address in an attempt to contact Inventor Cybuch. However, Petitioners do not know whether this information is accurate and, indeed, only know that Inventor Cybuch moved from his last known residence without leaving a forwarding address. That he may have passed away is a possibility; however, Petitioners have not been able to substantiate this report. Accordingly, Petitioners respectfully assert that this should be retreated as a Petition under Rule 47, as there is no definitive evidence of a deceased inventor.

5. Paragraphs 7 and 8 on page 2 of the attached Decision discuss item 2, and Petitioners respectfully submit that the Declaration is proper inasmuch as there is no evidence as to whether the non-signing inventor is deceased. Indeed, all Petitioners can say with any certainty is that the inventor has moved and has not left a forwarding address and cannot be located. Regarding item 4, the address listed on the Declaration is the one that the inventor used and is the address of his place of business. However, Petitioners also have the address of Inventor Cybuch's last known residence and have attempted to contact him there as well. Petitioners respectfully submit that both last known addresses have been properly presented, one in the Declaration and the other in the Petition and Affidavit of the Bailiff attempting to contact him.

In summary, Petitioners respectfully request reversal of the denial of the Petition. Petitioners believe that they have presented all of the required information in the proper form in their Petition and respectfully request that it be granted. Petitioners surmise that the raising of the fact that the inventor may be deceased may have caused a misunderstanding on the part of the parties reviewing the Petition and hope that the information presented in this Petition for Reconsideration properly explains and that grant of the Petition can be achieved.

Respectfully submitted,

DECISION REFUSING STATUS
UNDER 37 CFR 1.47(a)

This is a decision on the petition under 37 CFR 1.47(a), filed October 29, 2004 (certificate of mailing date October 27, 2004).

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. Any response should be entitled "Request for Reconsideration of Petition Under 37 CFR 1.47(a)" and may include an oath or declaration executed by the inventor. **Failure to respond will result in abandonment of the application.**

The above-identified application was filed on April 2, 2004 without an executed oath or declaration. Accordingly, on May 24, 2004, a "Notice to File Missing Parts of Nonprovisional Application" was mailed, requiring an executed oath or declaration and a surcharge for its late filing.

In response, on October 29, 2004 (certificate of mailing date October 27, 2004), a petition for a four month extension of time and required fee, a declaration executed by 8 of 9 joint inventors, the surcharge, the petition fee, and the instant petition were filed. A statement from Bailiff Jim Marlow of the City of Niagara Falls in the Regional Municipality of Niagara, Ontario, Canada accompanies the petition. Mr. Marlow explains that when he attempted to deliver a package at the last known address of the non-signing inventor, Jurek Cybuch, that the current owner told him that Mr. Cybuch had died and that the previous owner, Ms. Kateryna Turczyn, had sold the house and moved to Europe.

A grantable petition under 37 CFR 1.47(a) requires

- (1) a petition including proof of the pertinent facts establishing that the joint inventor(s)/legal representative refuses to join, or cannot be found or reached after diligent effort,
- (2) a proper oath or Declaration executed by the available joint inventor(s),
- (3) the fee of \$130 as specified in 37 CFR § 1.17(h), and
- (4) the last known address of the omitted inventor(s)/legal representative.

This petition lacks item (1), (2), and (4) above.

As to item (1), Rule 47 has no application to a deceased inventor. MPEP 409.03(c) However, Rule 47 does apply where a legal representative of a deceased inventor cannot be found or reached after diligent effort, or has refused to make application. Applicant has failed to establish that the legal representative of the deceased inventor cannot be located or has refused to sign the declaration. It appears that petitioners have made no effort to locate a legal representative for the deceased inventor.

The Office requires that the legal representative of the deceased inventor be provided with a complete copy of the application as filed. This includes the specification with claims, drawings, if any, and a declaration. See MPEP 409.03(d).

The legal representative must have the complete application in his/her possession in order to make an informed decision as to whether he/she joins in its filing. The legal representative cannot make the necessary statements -- "I have reviewed and understand.." etc.-- without looking at the application papers.

Once delivery of the complete application to the legal representative's last known address is established and no response has been received within a reasonable amount of time, applicant will have shown constructive refusal by the legal representative to join in the filing of the application.

If petitioners allege that the legal representative of the deceased inventor cannot be reached, petitioners must engage in diligent efforts to locate him/her. Where inability to find or reach a nonsigning inventor is alleged, an affidavit or declaration of facts should be submitted that fully describes the exact facts which are relied upon to establish that a diligent effort was made to locate the nonsigning inventor.

The affidavit or declaration of facts must be signed, where at all possible, by a person having *firsthand knowledge* of the facts recited therein. Statements based on hearsay will not normally be accepted

As to item (2), an oath or declaration for the patent application in compliance with 37 CFR 1.63 and 1.64 still has not been presented. The declaration contains no information for the legal representative. **Petitioners must submit another declaration that lists identifying information for the inventors, including the deceased inventor, and the legal representative. This new declaration must be executed by the signing inventors.** The identifying information must include: -- Name, Residence, Citizenship, and Post Office. An oath or declaration in compliance with 37 CFR 1.63 and 1.64 signed by the Rule 1.47 applicant on behalf of the deceased inventor's legal representative is REQUIRED. See MPEP 409.03(a).

As to (4) above, the last known address of the legal representative must be given. See MPEP 409.03(c).

Pursuant to petitioners' authorization, deposit account no. 50-2590 will be charged the \$130.00 petition fee owed. The Office has already charged the \$130.00 surcharge and the \$1,530.00 four month extension of time fee to the same deposit account.

The application file does not indicate a change of address has been filed in this case, although the address given on the petition differs from the address of record. A change of address should be filed in this case in accordance with MPEP 601.03. A courtesy copy of this decision is being mailed to the address noted on the petition. However, until otherwise instructed, all future correspondence regarding this application will be mailed solely to the address of record.

PETITION UNDER 37 C.F.R. 1.47(A)

The undersigned states and declares as follows:

1. I am a registered patent attorney authorized to practice before the United States Patent and Trademark Office (Reg. No. 32,529).
2. I am employed by Amersham Biosciences Corp as Vice President, Intellectual Property, North America. As part of my duties in that position, I am responsible for coordinating the United States filing of patent applications owned by Amersham Biosciences Corp, now known as GE Healthcare, and its sister corporations, which includes the captioned application owned by Amersham Biosciences Niagara, Inc.
3. The captioned application was filed on April 2, 2004. The referenced patent application claims the benefit of patent application number 0307684.1 filed in

Great Britain on April 2, 2003 and patent application number 0327651.6 filed in Great Britain on November 28, 2003.

4. On May 24, 2004, a "Notice to File Missing Parts of Nonprovisional Application filed Under 37 C.F.R. 1.53(b)" was mailed in connection with the captioned application for lack of a signed oath or declaration. A copy is attached hereto as Exhibit 1.
5. Each of the nine (9) inventors, namely Nick Arini, Alla Zaltsman, Ian Goodyer, Yuriy Alexandrov, Jurek Cybuch, Bohdan Soltys, Louis Dagenais, Liz Roquemoire and Sam Murphy was employed by Amersham Biosciences Niagara, Inc. at the time the invention of the referenced application was made. A request was made of the Human Resources Department of Amersham Biosciences Niagara, Inc. to confirm the mailing address for each of the nine (9) inventors. A satisfactory reply had been received with regard to all but inventor Cybuch. Attached hereto as Exhibit 2 is a copy of an email exchange between Susan Wildman, Patent Formalities Officer of Amersham plc, and Anne Lancaster of the Human Resources Department of Amersham Biosciences Niagara, Inc., dated August 5, 2004 and August 9, 2004. Ms. Lancaster advised that numerous attempts to locate inventor Cybuch have been unsuccessful and provided the last known address listed in the records.
6. A combined Declaration and Power of Attorney having six (6) total pages, attached hereto as Exhibit 3, was prepared and mailed to the last known address of inventor Cybuch via First Class United States postal service and via Federal Express and hand delivered via Niagara Bailiff Services. A copy of the covering

letter dated August 25, 2004, is attached hereto as Exhibit 4 showing that enclosed with the combined Declaration and Power of Attorney was an Assignment form and a complete copy of the application as filed with the United States Patent and Trademark Office on April 2, 2004.

7. The envelope mailed via First Class United States postal service on August 25, 2004, was not returned. The Federal Express envelope mailed August 25, 2004, was returned with the indication "RECIPIENT MOVED" followed by "no phone listing." A copy of the returned Federal Express envelope is attached hereto as Exhibit 5.
8. On September 10, 2004, an attempted service of the envelope at inventor Cybuch's last known address was made by Bailiff Jim Marlow of the City of Niagara Falls in the Regional Municipality of Niagara, Ontario, Canada. A copy of Bailiff Marlow's Affidavit of Attempted Service is attached hereto as Exhibit 6. The affidavit states that Bailiff Marlow was advised by the current owner of the property listed as inventor Cybuch's last known address that subsequent to inventor Cybuch's passing away, the owner, Ms. Kateryna Turczyn, sold the house and moved back to Europe. The purchase was final on July 31, 2004.
9. The remaining eight (8) inventors listed on the application, namely Nick Arini, Alla Zaltsman, Ian Goodyer, Yuriy Alexandrov, Bohdan Soltys, Louis Dagenais, Liz Roquemore and Sam Murphy, have duly signed and dated the combined Declaration and Power of Attorney as required. A copy of the signed documents is attached hereto as Exhibit 7.

10. The due date for filing the Declaration in connection with the captioned application, with a four months extension of time, is November 24, 2004. It is respectfully requested that the attached combined Declaration and Power of Attorney executed by inventors Nick Arini, Alla Zaltsman, Ian Goodyer, Yuriy Alexandrov, Bohdan Soltys, Louis Dagenais, Liz Roquemore and Sam Murphy be accepted under 37 C.F.R. 1.47(a) on behalf of themselves and the nonsigning inventor, Jurek Cybuch. Such action is necessary to prevent the application from becoming abandoned, to preserve the rights of the parties, and to prevent irreparable damage.
11. In the event that I am able to subsequently locate an heir and obtain the signature of that person, a supplemental Declaration executed by the inventors will be filed.
12. Please charge Applicant's Deposit Account Number 502-590 in the amount of \$130.00 to cover the fee for this petition. The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to Applicant's Deposit Account Number 502-590.
13. A "Response to the Notice to File Missing Parts of Application Filing Date Granted (PTO-1533)(Large Entity)" is being simultaneously submitted attaching the combined Declaration and Power of Attorney executed and dated by inventors Nick Arini, Alla Zaltsman, Ian Goodyer, Yuriy Alexandrov, Bohdan Soltys, Louis Dagenais, Liz Roquemore and Sam Murphy. An authorization to charge the surcharge of \$130.00 is included with the response. Additionally included with the response is an authorization to charge the fee for a four months extension of

time for responding of \$1,530.00 to Applicant's Deposit Account Number 502-590.

14. Please direct any outstanding issues directly to Applicant's representative at the contact number listed below.

Respectfully submitted,

Shipping Label: Your shipment is complete This shipping label constitutes the air waybill for this shipment.

1. Use the "Print" feature from your browser to send this page to your laser or inkjet printer. Fold the printed page along the horizontal line.

2. Place 2 originals of the shipping label in the pouch and affix it to your shipment so that the barcode portion of the label can be read and scanned.

Warning: Use only the printed original label for shipping. Using a photocopy of this label for shipping purposes is fraudulent and could result in additional charges, along with the cancellation of your FedEx account number.

LEGAL TERMS AND CONDITIONS OF FEDEX SHIPPING DEFINITIONS. On this Air Waybill, "we", "our", "us", and "FedEx" refer to Federal Express Corporation, its subsidiaries and branches and their respective employees, agents, and independent contractors. The terms "you" and "your" refer to the shipper, its employees, principals and agents. If your shipment originates outside the United States, your contract of carriage is with the FedEx subsidiary, branch or independent contractor who originally accepts the shipment from you. The term "package" means any container or envelope that is accepted by us for delivery, including any such items tendered by you utilizing our automated systems, meters, manifests or waybills. The term "shipment" means all packages which are tendered to and accepted by us on a single Air Waybill. AIR CARRIAGE NOTICE. For any international shipments by air, the Warsaw Convention, as amended, may be applicable. The Warsaw Convention, as amended, will then govern and in most cases limit FedEx's liability for loss, delay of, or damage to your shipment. The Warsaw Convention, as amended, limits FedEx's liability. For example in the U.S. liability is limited to \$9.07 per pound (20\$ per kilogram), unless a higher value for carriage is declared as described below and you pay any applicable supplementary charges. The interpretation and operation of the Warsaw Convention's liability limits may vary in each country. There are no specific stopping places which are agreed to and FedEx reserves the right to route the shipment in any way FedEx deems appropriate. ROAD TRANSPORT NOTICE. Shipments transported solely by road to or from a country which is a party to the Warsaw Convention or the Contract for the International Carriage of Goods by Road (the "CMR") are subject to the terms and conditions of the CMR, notwithstanding any other provision of this Air Waybill to the contrary. For those shipments transported solely by road, if a conflict arises between the provisions of the CMR and this Air Waybill, the terms of the CMR shall prevail. LIMITATION OF LIABILITY. If not governed by the Warsaw Convention, the CMR, or other international treaties, laws, other government regulations, orders, or requirements, FedEx's maximum liability for damage, loss, delay, shortage, misdelivery, nondelivery, misinformation or failure to provide information in connection with your shipment is limited by this Agreement and as set out in the terms and conditions of the contract of carriage. Please refer to the contract of carriage set forth in the applicable FedEx Service Guide or its equivalent to determine the contractual limitation. FedEx does not provide cargo liability or all-risk insurance, but you may an additional charge for each additional U.S. \$100 (or equivalent local currency for the country of origin) of declared value for carriage. If a higher value for carriage is declared and the additional charge is paid, FedEx's maximum liability will be the lesser of the declared value for carriage or your actual damages. LIABILITIES NOT ASSUMED. IN ANY EVENT, FEDEX WON'T BE LIABLE FOR ANY DAMAGES, WHETHER DIRECT, INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL IN EXCESS OF THE DECLARED VALUE FOR CARRIAGE (INCLUDING BUT NOT LIMITED TO LOSS OF INCOME OR PROFITS) OR THE ACTUAL VALUE OF THE SHIPMENT, IF LOWER, WHETHER OR NOT FEDEX HAD ANY KNOWLEDGE THAT SUCH DAMAGES MIGHT BE INCURRED. FedEx won't be liable for your acts or omissions, including but not limited to incorrect declaration of cargo, improper or insufficient packaging, securing, marking or addressing of the shipment, or for the acts or omissions of the recipient or anyone else with an interest in the shipment or violations by any party of the terms of this agreement. FedEx won't be liable for damage, loss, delay, shortage, misdelivery, nondelivery, misinformation or failure to provide information in connection with shipments of cash, currency or other prohibited items or in instances beyond our control, such as acts of God, perils of the air, weather conditions, mechanical delays, acts of public enemies, war, strike civil commotion, or acts or omissions of public authorities (including customs and health officials) with actual or apparent authority. NO WARRANTY. We make no warranties, express or implied. CLAIMS FOR LOSS, DAMAGE OR DELAY. ALL CLAIMS MUST BE MADE IN WRITING AND WITHIN STRICT TIME LIMITS. SEE OUR TARIFF, APPLICABLE FEDEX SERVICE GUIDE, OR STANDARD CONDITIONS OF CARRIAGE FOR DETAILS. The Warsaw Convention provides specific written claims procedures for damage, delay or non-delivery of your shipment. Moreover, the interpretation and operation of the Warsaw Convention's claims provisions may vary in each country. Refer to the Convention to determine the claims period for your shipment. The right to damages against us shall be extinguished unless an action is brought within two years, as set forth in the Convention. FedEx is not obligated to act on any claim until all transportation charges have been paid. The claim amount may not be deducted from the transportation charges. If the recipient accepts the shipment without noting any damage on the delivery record, FedEx will assume the shipment was delivered in good condition. In order for us to consider a claim for damage, the contents, original shipping carton and packing must be made available to us for inspection. MANDATORY LAW. Insofar as any provision contained or referred to in this Air Waybill may be contrary to any applicable international treaties, laws, government regulations, orders or requirements such provisions shall remain in effect as a part of our agreement to the extent that it is not overridden. The invalidity or unenforceability of any provisions shall not affect any other part of this Air Waybill.
